Experience Grace: Standing in Jesus

January 8, 2017

Romans 5

- 1.) Put in your own words what it means to “Experience Grace.”
  
- 2.) In what particular ways in your life have you experienced God’s grace? In other words, not merely “I sinned and Jesus forgave me” or “I deserved hell and Jesus gave me heaven” BUT “I am such a failure as a husband, and Jesus has redeemed me from that and is restoring me to what He created me for in that area” or “I often struggle with depression and feel a deep sense of loneliness quite often, and I have begun to taste the love of God for me for the first time recently.”
  
- 3.) How does your life evidence the reality that you need Jesus as oxygen rather than merely as a vaccination or a vitamin? What would it look like for you increasingly to run to that oxygen tank?
  
- 4.) Do you picture yourself standing in the presence of God? Where is Jesus in that picture?
  
- 5.) Did you see yourself in the video of the man on the escalator? In what way? How is it glorious to you that “Jesus finds us weak and falling apart and lying on our backsides and carries us up into the presence of God and makes us stand”?
  
- 6.) Will said, “Grace is a person with whom we always need relationship, not an item we get enough of or a concept we master.” What does that relationship look like for you?
