

SMALL GROUP Q'S

Express Grace Weekend
January 17-18, 2015
Messages from Rev. Scotty Smith

- 1.) What was your favorite part of one of the messages you heard from Scotty Smith?
- 2.) What was the most challenging aspect to you personally of one of Scotty's messages?
- 3.) What was the most encouraging or comforting aspect of one of his messages?
- 4.) Share with the group about one new mission partner you got to meet Saturday night. Is it a ministry you feel called to be more involved with personally or one your small group could partner with as a group?
- 5.) Have you seen the new Mission Partner Wall in the Connecting Spaces? Someone who has share with the group what you liked about it.
- 6.) What is one danger (for Presbyterians especially) of attending a conference?

HINT: The one I'm thinking of is that we will think that accumulating more knowledge is in itself the "doing" something or "loving our neighbor" rather than that which motivates us to love neighbors.
- 7.) What most motivates you to express the grace you have received to others?
