Kingdom Significance

Luke 13:10-21

- 1.) As you consider the Bible's teaching on the Sabbath, what could a day that points you to deep rest in Jesus because you are sharing his power and the joy of his kingdom with others look like? (Think about what you can ENJOY doing, not primarily AVOID doing)

- 2.) Can you think of a way in which you have "missed the kingdom" when God was at work in or around you? Consider self-promoting religiosity, overlooking the insignificant, or assuming some brokenness is beyond help as you think.

- 3.) Jesus used the mustard seed and the leaven as pictures of his kingdom that people around him would have immediately understood. Write a modern-day parable that makes some of the same points about his kingdom.

- 4.) Where in your life do you feel small or insignificant? OR Where have you lost the joy of celebrating the kingdom or the hope of seeing the kingdom advance?

- 5.) Who is someone in the Bible's story used by God in significant ways whom you relate to or find encouraging to consider?
