

SMALL GROUP Q'S

God Is the Author of Missions

January 28, 2018

Acts 10:1-44

- 1.) Dr. Doriani talked about “goldfishing” – forgetting the Gospel quickly. In what life situations or seasons have you found yourself practically forgetting the Gospel?

- 2.) God told Peter not to call impure what He had made pure, and this was part of God coordinating his mission to the Gentiles. Dr. Doriani shared of a prison and refugees locating near his church being part of God’s providential coordinating of his mission in St. Louis. How do you see God coordinating his mission in Huntsville and in your spheres of influence?

- 3.) Dr. Doriani said, “In the gospel there is everything that should give you joy.” What aspect of the Gospel gives you deep joy that you would want to share with others?

- 4.) Share something you learned from listening to or engaging with one of our global mission partners this weekend.

- 5.) What is one way you think God might be calling you/your family to take new steps in being a part of his global mission?
