One Weird Trick  
March 29, 2015  
Proverbs 3:5-6

- 1.) What is your favorite "life hack" or "weird trick" that you have heard of or tried out yourself?
- 2.) Share about a time or situation in your life where reality did not match up with your expectations. How did you feel? What did you do in response to feeling this gap?
- 3.) Bill talked about trusting God in terms of being "facedown and helpless." Have you ever experienced that? What would it look like for you to trust God that way?
- 4.) Bill said, "If God were small enough to be understood, He wouldn't be big enough to be worshipped." Discuss.
- 5.) How well do you relax? Is vacation hard for you? How does this reflect your heart's struggles with trusting God?
- 6.) What is the difference between just saying "trust God" and remembering that Jesus was the One who trusted perfectly for you? How does this look and feel different?
- 7.) Palm Sunday celebrates Jesus coming into Jerusalem as King. But before being coronated/exalted, He showed us the way up was down. How does this impact your life today? How hard is it for you to believe that this is true in your own life?
