Easter Hope for Everyone

Luke 24:1-12

1. In what situation or season of life do you remember feeling hopeless? How does the good news of a living Savior bring hope into that situation without denying the reality of the pain?
2. Do you live in light of the resurrection? In what priorities, anxieties, or situations do you live like Jesus is a dead savior instead of a living Savior?
3. Which character in Luke 24:1-12 can you most relate to? Why is that, and how does the reality of the resurrection bring hope to you in that place?
