

SERMON Q's

Don't Miss Jesus!
April 28, 2019
Luke 24:13-35

1. Can you think of a time when you were near someone great or famous but didn't recognize him or her? Why was that the case? What things, situations, or realities in your life sometimes cause you to miss Jesus?
2. What is your favorite Old Testament picture of Jesus? What does it teach you about him that impacts your life today?
3. How regularly are you exposing your heart to the Word of God and listening for Jesus to meet you there? What can you begin even this week that would help you see Jesus in all of Scripture?
4. If you are a follower of Jesus, how did Jesus first meet you? How have you experienced him in your life since then? If you feel like it's been a while, what would help you be aware of your living Savior rather than living as though yours is dead?
5. How are you experiencing Jesus in community with his people? How should your conversations, your small group time, etc. change if Jesus is really alive and active in your life?
6. How can someone pray for you in your relationship with Jesus - are you missing him, longing to know him, distant from him, missing the community of his people, needing to see him work powerfully?
