**The Hope of the Righteous**  
**May 5, 2019**  
**1 Peter 3:15-18**

1. According to the sermon, what are some differences between the way that the apostle Peter presents the Gospel and the way that the apostle Paul presents the Gospel? What are some similarities?
2. Why is it that the reformed tradition tends to gravitate to Paul's teachings?
3. Compare and contrast living winsomely in Christ and living confrontational-ly in Christ. Are the two ways of living necessarily in opposition to one another? Why or why not?
4. Discuss the differences and similarities between persecution and suffering. For what reasons was the preacher comfortable drawing strong similarities?
5. What does hope look like in your life? In what ways do all of your actions in life impact the building of God's Kingdom and the redeeming of all things to Himself?
