Bringing Heaven to Earth

July 10, 2016

Daniel 12

- 1.) When have the events of your life or the broader world made you wonder or cry out, “How much longer?” or “How will it all turn out?”?
- 2.) How do you often respond when the events in your life or the world around you seem to spin out of control? Are you more likely to give up, stress out, or buckle down? Where do you see the problem with your natural response?
- 3.) Pick one of the 10 difficulties Will listed as things we face that were addressed in the book of Daniel. How have you particularly found this difficulty to play out in your own life?
- 4.) How would you explain in your own words God’s answer to Daniel’s question that begins with “Go your way”?
- 5.) Will said, “Heaven reminds us that suffering, while always a part of our story, is never the end of our story because glory is coming!” How does that impact your emotions in the difficulties of your life?
- 6.) Will suggested we should pray that heaven would come to earth and work to bring heaven to earth. What did he mean, and how could you be a part of either of those activities?
