Micah 2-3

1. What anxieties or hopes show up regularly in your dreams or daydreams?
2. What areas of our lives are we more apt to “forget” God’s perspective? How would they change if we didn’t forget?
3. Read Psalm 146:7-9 (or any other passages about God’s justice). What does “justice” mean to God? How can we love justice without adopting a “social gospel”?
4. Dream together about how we can use our power/influence/authority in Huntsville for kingdom purposes. What is one way our lives could begin to reflect a return to God and his heart?
5. How can you pray for the leaders of your church in light of God’s strong warnings to them in Micah 3? How do these same prayers apply to you?
