"The End of the Story"

January 15, 2023

I Peter 1:3-5

1. When you consider our eternal salvation, does it cause praise to God to well up in your heart? Why do you think that can sometimes be a struggle?
2. How would you describe the difference between "living hope" and what we usually mean by "hope" to someone who didn't trust Jesus?
3. What is something you try or have tried really hard to "keep" only to realize you can't keep it completely? How is God's keeping of our inheritance importantly different?
4. How could actively exercising faith in Jesus and the living hope/unfading inheritance we have in Him change the way you're approaching the situation in your life currently causing you the most anxiety?
5. Will closed by reading several Scriptural depictions of the end of our story. What is one aspect of our eternal inheritance that most comforts, inspires, or excites you today?
6. How does knowing the end of the story encourage you toward sharing the story of Jesus with your neighbors?
