Are You Ready?

October 15, 2017

Luke 12:35-59

- 1.) How often do you think about Jesus' return and our eternal glory? When you do think about it, why? What prompts those longings in your heart?
  
- 2.) How would you evaluate your "readiness" for Jesus' return? In what areas are you most distracted from the King's priorities?
  
- 3.) What does it mean to be a steward? What all has God given to you to steward for the sake of his household/kingdom? What is one gift God has given you that you want to consider stewarding more intentionally for his kingdom?
  
- 4.) How does it make you feel to consider Jesus inviting you to recline at table while He serves you? How should that eternal reality impact us?
