

SMALL GROUP Q'S

Ephesians, the Finale
November 22, 2015
Ephesians

- 1.) Do you find yourself quickly moving from one thing to the next? In what ways do you or could you slow down to revisit the Word of God – read and preached – in your own life?
- 2.) The first three chapters of Ephesians focus on what we are to believe. What sticks out to you as something important to believe from those chapters?
- 3.) Explain how the new identity we have individually in our union with Christ creates a new community – the Church – that we otherwise couldn't enjoy.
- 4.) How does Team Hoyt demonstrate some beautiful aspects of our union with Christ? What is your favorite part of their story?
- 5.) Share at least one specific area you feel God is challenging you to address in your own life as a result of what you've seen in the book of Ephesians. How will you connect the truth to a change in life?
- 6.) What did Ephesians teach you about the Church? What is something you would like to see change at Southwood to reflect the beautiful new community God has designed his Church to be?
