Mighty God
December 13, 2015
Isaiah 9:1-7

- 1.) What did Will mean when he said that “Mighty God” was not merely a description but actually a title?
- 2.) Understanding Jesus to be fully God and fully man is beyond our complete comprehension. In what ways has it been a struggle for you to grasp or believe in your own life?
- 3.) What are some evidences (directly or indirectly) in the gospels that Jesus understood and claimed to be the divine Son of God? How do some of these combat the idea that Jesus’s claims to deity were merely “legends” made up by his followers?
- 4.) A professor at Wheaton College (now suspended) has recently said that Christians and Muslims worship the same God. How does this fit with the claims of Jesus? Is it intellectually reasonable to follow both religions’ holy books?
- 5.) What difference does it make in your life that the Mighty God was born and became God with us? How does that help you trust him? What hope or comfort does it give you in your pain?
- 6.) In what ways do you not worship or obey Jesus as though he is the Mighty God, worthy of all worship and obedience? In what area of your life will you seek to apply the reality that Jesus is indeed God himself?
