

# SMALL GROUP Q'S

Love Described, Part II  
December 14, 2014  
1 Corinthians 13:4-8a

- 1.) In this second set of descriptive words about love Paul focuses on what love is NOT. (See 1 Cor. 13:4-8a) How are these things interdependent on each other? i.e. Why must love be patient and not boastful, etc.?
- 2.) How does envy destroy love?
- 3.) How does boasting destroy love as giver? as receiver?
- 4.) How does pride destroy love as giver? as receiver?
- 5.) Why did Jean say that self-sufficiency and isolation were not signs of health and strength? Is this provable Biblically? Practically? How?
- 6.) Describe a "Me monster" event you have witnessed.
- 7.) Describe a "Me monster" event you have been a part of. [Just for fun- for the rest of the night anytime someone starts to do a "Me monster" moment stop them and scream out- "Me monster!" When they are defensive say, "Double Me Monster!" and when the person who says, "Double Me monster!" looks proud of catching the "Double Me Monster!" scream "Triple Me monster!!!" - you get the point right?- This is WHY you never get past needing Jesus!
- 8.) Why must the experience and expression of God's love and grace always go hand in hand?
