**The Birth of Jesus Through the  
Eyes of Herod  
December 16, 2018  
Matthew 2:1-12**

1. How do we demonstrate our daily commitment to being our own kings?
2. Do we typically think of Jesus as a king, or do we categorize him in ways that inhibit his kingship over our lives?
3. Has God ever led you to do something that seemed shocking and out of place? How did you respond? Explain.
4. Think of an example of a sin struggle (anger, lust, workaholism, greed, etc.) where you avoid the reality of Jesus' kingship. How would that be different if Jesus' sovereign rule were embraced?
5. How can others pray for the Holy Spirit to bring your heart and life under the rule of King Jesus?
