Emotions of Christmas: Fear and Joy

December 25, 2016

Luke 2:8-20

- 1.) Have you ever or lately experienced the feeling of distance from God or drudgery/lack of joy in serving God? When that happens, who is God to you? Do you deal with any of the “fear” that often underlies our relationship with God?
  
- 2.) Put in your own words what it means that God is “near,” “safe,” and “satisfied.” Is that your regular experience of him? How does Christmas impact that reality?
  
- 3.) What does it change in your heart/life that a Savior has been born TO YOU? Share some of the changes this new relationship with God brings that give you the greatest joy.
