Enduring Hope  
April 8, 2018  
1 Peter 1:3-9

1. Have you ever suffered ridicule, rejection, loss of work or position, or in some other way because of your faith in Christ? How?
2. Have you ever intentionally avoided suffering ridicule, rejection, loss of work or position, or in some other way because of your faith in Christ? How did you remain “safe”?
3. Where are we making ourselves vulnerable to the allurements of this life? What type of things attract you the most?
4. What has been the biggest change that has come because of you becoming a Christian? What do you look forward to the most when you think of heaven?
5. How can we do better at remembering what we have in Christ and what awaits us because we are in Him?
