

SMALL GROUP Q'S

True Greatness

July 2, 2017

Luke 9:37-50

- 1.) When you think of someone being “great,” who or what comes to mind? What makes someone or something truly “great”?

- 2.) Can you think of a time in your life you seemed to miss the greatness and glory of Jesus (i.e. you saw and felt it but your life wasn’t truly changed by it)? Where can you relate with the disciples who missed Jesus’ greatness because they were focusing on their own (self-reliant, fearful, competitive, self-seeking)?

- 3.) Put Jesus’ definition of greatness in Luke 9:48 into your own words. What are some pictures of kingdom greatness that come to mind for you?

- 4.) Where has Jesus shown himself to be great in your life (in the midst of the mundane, the difficult, the broken)? Recount one of these moments to someone else and pray that God would keep your heart set on the greatness of Jesus rather than your own greatness.
