Joining Jesus' Journey

July 9, 2017

Luke 9:51-62

- 1.) What are some costs you evaluate before agreeing to take a trip? What are some costs you have counted (or encountered) in following Jesus?
  
- 2.) Will said, "If you're not willing to be uncomfortable or unwelcome in this world, you're not really journeying with Jesus." How does that challenge you? Do you usually feel at home or like a stranger in this world?
  
- 3.) What is one decision or commitment you need to re-evaluate in the light of Jesus' clear call to follow him to the cross?
  
- 4.) Imagine you are the only person in the world and yet Jesus sets his face to go to the cross to redeem you. How precious must you be to him?!
