

SMALL GROUP Q'S

The Ultimately Good Father

September 10, 2017

Luke 11:5-13

- 1.) When you struggle with believing God's goodness, what situations, verses, or experiences do you look back on to strengthen your faith?

- 2.) Will said in promising to give us the Holy Spirit, God promises to give us himself when we pray. How have you seen this reality be true in your own life, and how does this encourage you in prayer?

- 3.) Sometimes when we pray, it feels like we ask, seek, and knock but God doesn't answer. How do you deal with that emotion? Tim Keller says, "God will either give us what we ask or give us what we would have asked if we knew everything he knew." How does that help?

- 4.) Where would you say your life of prayer is right now? What is one step you could take to improve that experienced relationship with your Heavenly Father?
