

SERMON Q's

The Grace We Share
January 23, 2022
Philippians 1:3-8

1. Share a past experience that has connected you to someone(s) in an ongoing way?
2. How is “partnership in the gospel” more than merely theoretical? What practical implications did it have for Paul and the Philippians years after being together?
3. Would you define your identity as a “partaker of grace”? How would you describe both your need and God’s provision for that need?
4. Do you live with the grace of Jesus Christ as your primary cause? What might look different in your life if you shaped it more around that priority? Who might you feel a greater partnership with or affection for than you do today?
5. What is one way you can demonstrate partnership in the gospel to our mission partners coming next weekend?
6. Do you have a hard time believing Jesus’ heart of affection toward you? Do you have a hard time sharing that affection for those who are precious to Him? How could someone pray for you in either category?
