

SERMON Q's

What's First for Us?
October 6, 2019
Haggai

1. When you are setting priorities in your life, what comes first? What's your "gut reaction" answer? What's your answer upon further reflection?
2. What is one thing you've told yourself you must have in order to be fulfilled or have "the good life"? Is it true, or what does God say?
3. Would you say you serve a kingdom of comfort or a kingdom of the cross? What evidence would you give for either one in your life?
4. Does your relationship with God sometimes feel like one more "to-do" on a very long list? How should it be something entirely different?
5. In what specific ways do you see Jesus fulfill the command to seek first God's kingdom?
6. What is one specific way someone could pray for you to "build God's house" first?
