A Question of Identity: Identity Established  
October 9, 2016  
Luke 3:21-38

- 1.) How does it help us to know that Jesus has identified with us in every aspect of our lives? How does His knowledge of our situation and our struggles help bring us encouragement and strength?
- 2.) When you typically think of God, what is He like? Is your concept of God different from what Luke pictures here? How does the loving, joyous fellowship that the Trinity enjoys among itself change things for you?
- 3.) What would it mean to you to hear your Heavenly Father say to you, "You are my beloved son, in whom I am well pleased"? How would that affect our fears, anxieties, doubts, etc.?
- 4.) What are the barriers that prevent us from fully believing the truth of our identity in Christ? How can we overcome those barriers so that the full reality of our salvation might be known and savored?
