

SERMON Q's

Marriage, Divorce, and God
October 27, 2019
Malachi 2:10-16

1. What do you think are the primary motivators for your current or potential marriage? Why get married, and what is the primary goal?
2. What are examples of the dangers of things being used for purposes contrary to their design? How seriously do we take God's design for our lives and our marriages?
3. What is a "worship problem" (idol) in your heart sometimes exposed by how you approach marriage or the idea of marriage?
4. What does faithlessness look like in our marriages even when divorce doesn't occur?
5. What would it look like for us to share God's heart toward divorce in our day? How would we advise friends? How would we pray for each other? How would we invest in our marriages?
6. How would you offer gospel comfort to someone whose life has been deeply impacted by broken marriage relationships and/or divorce?
