

SERMON Q's

Is God Enough?
November 24, 2019
Malachi 3:13-4:6

1. What is one takeaway you have from our time in the Minor Prophets this fall?
2. What is an idol God has been showing you in your own heart and life (that you'd be willing to share), and what do you think repentance looks like there?
3. In what situations do you find yourself "tracking" God, wondering if your faith in Him is paying off? What idols of your heart drive that approach to your relationship with him?
4. Where do you have people in your life to speak to you of God's value? In whose life are you actively speaking of God's value?
5. Is God enough? How would you answer that question personally? What would it look like if we together believed that He was?
6. How does the persistent love of your Heavenly Father motivate your repentance? Do you hear him declaring, "You are mine!"?
