

SERMON Q's

The Extraordinary God
December 12, 2021
Luke 1:39-56

1. Whom do you go to (like Mary to Elizabeth) who points you to God's grace in your life and to faith in Him?
2. Put in your own words what it would mean for God to be "bigger" - magnified - in your life.
3. Which aspect of what God does stuck out to you most? Why is that reality significant to you?
4. What would repentance and renewed life look like in your life in response to seeing God as big in that way?
5. In what way does God being born as a tiny baby make Him bigger in your eyes?
6. How could someone pray for you to respond to the greatness of God even this week?
