

SERMON Q's

Open My Eyes
March 8, 2020
II Kings 6:8-17

1. How do the Bible's short prayers encourage you? Does the sense of needing to gather all your thoughts and pray thoroughly ever discourage you from praying?

2. What is your typical thinking about the spiritual realm? Skeptical/cynical? Devil under every rock? Never crosses my mind?

3. What is one reality in your life that, seen with physical eyes only, makes you fearful?

4. How long should Pastor Will repent for preaching a sermon about seeing "chariots of fire" and not referencing the greatest movie of all time?

5. When have you experienced prayer helping you see reality more accurately? (e.g. I realized in Situation X that God was at work and I wasn't in control or alone)

6. What is something God tells us in his Word about reality that you need to believe in a life situation right now? (Consider Romans 8:31-39, I John 4:4, Psalm 34:7-8, Psalm 91:11-12)
