

SERMON Q's

"Contentment"
April 10, 2022
Philippians 4:10-20

1. Would you describe yourself as full of deep contentment, or more full of coveting, complaining, or controlling?
2. What is an area of life where you struggle with being content?
3. Describe how contentment for Paul is more than settling but rather a consistent confidence that empowers active bold living. What is something you might do out of a place of contentment?
4. Paul learned contentment by experiencing emptiness. What is one intentional step you/your family could take to experience need?
5. Paul also learned contentment by finding fullness in Jesus. What is one intentional step you/your family could take to experience in a new way joy in Jesus?
6. Read Romans 8:32. As you consider the events of Easter Week, especially the cross of Jesus, how does your Father's love assure you of supplying all your needs according to his riches in glory in Christ Jesus (Phil. 4:19)?
