The Feast of Welcome  
May 24, 2020  
I Corinthians 11:17-34

1. Why do you think remembering the death of Jesus for us is so important? How would your life look different if you truly remembered it more often?
2. What aspect of God's welcoming you to the Lord's Supper is most amazing to you? How can you praise or thank Him for that?
3. In what ways are you tempted to make the Lord's Supper all about yourself instead of all about the Lord? How about in your life more broadly?
4. Who is someone you need to repent to, be reconciled to, or welcome into your life in light of the forgiveness and welcome of Jesus for you?
5. What helps you be mindful of the body of Christ broken on the cross for you at the Lord's Supper and at other times?
6. What helps you be mindful of the body of Christ in his people at the Lord's Supper and at other times?
