Fighting by Faith

Joshua 5:13-6:27

1. In what situation in your life do you often struggle to relinquish control and let God be King? How can we pray for you in that?

2. What would it look like for us individually or as a church to “take off our sandals” and be directed afresh by God? Be specific!

3. Read Hebrews 11:30-31. How was faith “being sure of what they hoped for and certain of what they did not see” for Israel and for Rahab? How is it like that for you?

4. What commands in the Bible do you sometimes feel are foolish or don't apply to you? How do you handle those struggles?

5. Where do you see yourself or Christians in our culture playing the role of “Lord” with God and his Word rather than “servant”?

6. How would you respond to someone who said this passage shows the God of the Bible is excessively violent and not worth following? What could you affirm, and where could you challenge their approach?
